GOALS

Council Goal: People with developmental disabilities and their families are empowered to lead the lives they want and transform communities.

Council Objective: Increase knowledge and skills of people with developmental disabilities and families through education and training. 6

Goals of Initiative: To prepare youth with developmental disabilities, from Ethiopian communities, for future employment, increased community engagement, and leadership opportunities.

OVERVIEW

The Tsinat Institute will provide leadership development to youth with developmental disabilities, from Ethiopian communities in Montgomery County and the surrounding metropolitan area. Youth will develop the social and leadership skills needed for increased community engagement and future employment.

STRATEGIES & ACTIVITIES

- Develop The 300 Leaders curriculum to accommodate in person and virtual instruction.
- Promote the program in Ethiopian communities in Montgomery County and the surrounding metropolitan area.
- Enroll 20 youth with developmental disabilities to complete the 12 week curriculum.

OUTCOMES

More youth with developmental disabilities from Ethiopian communities will:

- Know and understand the rights of people with developmental disabilities.
- Be prepared for future employment.
- Be more engaged and included in their communities.
